

**alone,
abandoned,
out of sight
of the people who betrayed them.**

**Finally, there's a video which tells their
story - "BORN TO BE BETRAYED"**

*"haunting and uncompromising...
boldly reveals the images and
courageously places the blame for
companion animal overpopulation.
Perfect for shelters to use in their
education programs." -
The Humane Society of the US*

*"the most comprehensive,
thought-provoking, and candid
video on the subject..." -
Peoria Animal Welfare Shelter*

*"This perceptive video
explores the subject in much
greater depth and detail than has
been captured before on video or
film... forcefully eloquent." -
New York State Humane
Association*

*"powerful and courageous...
reveals what words cannot
convey. This film spares no one.
If you care about animals, send
for this powerfully moving film."
-Associated Humane Societies of
New Jersey*
